

2025 Youth Leadership Camp Application

Monday, August 4th - Friday, August 8th

Camp Thompson, Gardners, PA

The CFY Youth Coalition is Adams County's youth leadership group committed to substance free lifestyle and positive youth development. At Collaborating For Youth (CFY) a full network of community members support these youth in their development to lead their peers within their schools and communities. The CFY Camp helps youth to build these leadership skills and is the springboard for their in-school and county leadership participation during the rest of the year.

Upon the completion this application, you and your parent/guardian will be invited to an informal discussion / interview with our youth director. If you are accepted to camp and verify interest in that discussion, we will provide a full registration and required paper signature for completion due at least one week prior to camp.
