

YOUTH COALITION MEMBERS BRING THE YOUTH VOICE TO CFY ACTIVITIES!

Developing team-building and leadership skills start at camp, but it doesn't end there. Through continued participation in the Youth Coalition, you can stay connected to new friends and awesome activities!

Use your new skills to:

Support others who want to make positive choices for themselves.

Educate adults about youth culture.
Be the "youth voice" and have an impact on decision making.

Promote positive youth messaging that help youth and adults feel connected in your school or Across Adams County.

Continue to grow and reach your goals by participating in or leading activities that improve your community.

Youth will help share camp responsibilities in a youth led environment!

Some dietary accommodations are available upon request.
